

Four Week Evening Course In Floral Design

Discover The Joy of Flowers!

You want an amazing Floral Art learning experience where you learn as much as you can on a part time basis after working hours....

This program is designed for those seeking a **quality, affordable, short program in Floral Art at night**. It is a hands-on workshop program and our students have a great time!

You will really impress your family and friends with the amazing floral art you create and bring home with you.

Date: April 26 -- May 19

**Time: Mon and Weds Evenings
from 7:00-10:00 PM**

**No Prior Floral Background is
Required**

What you will Learn

This program gives an amazing overview of floral art skills. Designing includes hemispherical floral art, high style approaches, contemporary floral ideas such as parallel, & water and foam based florals. You will learn hand tied approaches, some flowers to wear and more. In addition, you will also learn important information about floral mechanics, how to buy your flowers from wholesale sources (including important contact information), and the latest thinking about taking care of your flowers, markup and pricing.

Make Beautiful Things!
Have Fun & Impress Your Family & Friends!
